

The World's Largest Event for Nanotechnologies!

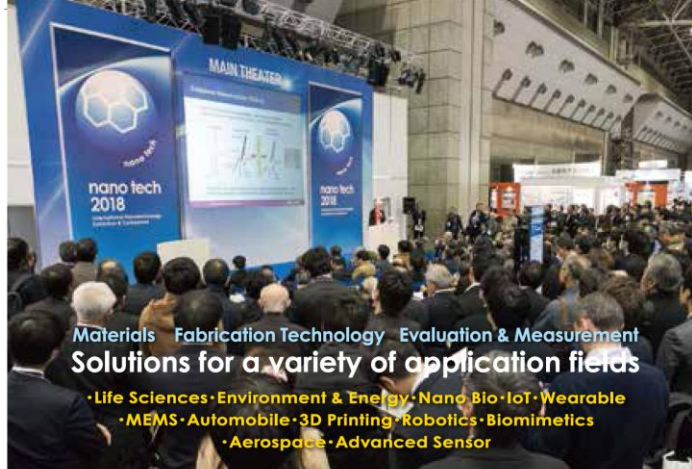

Big Issues.
Nano Solutions.

nano tech
2019

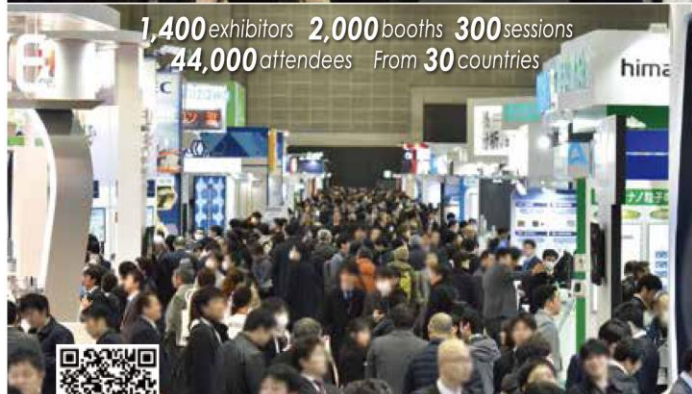

International Nanotechnology
Exhibition & Conference

2019 **1.30-2.1** Wed. Fri.

Materials Fabrication Technology Evaluation & Measurement
Solutions for a variety of application fields

• Life Sciences • Environment & Energy • Nano Bio • IoT • Wearable
• MEMS • Automobile • 3D Printing • Robotics • Biomimetics
• Aerospace • Advanced Sensor

1,400 exhibitors **2,000** booths **300** sessions
44,000 attendees From **30** countries
